

Module	C / CE	Nr. Course	Lecturer	Corona UPDATE
SYN.3	CE	53110 Cluster Chemistry (Inorganic Molecular Chemistry II)	Scheer	Offered at the indicated times via zoom for the time being! Registration in FlexNow until 19.04. is necessary, you will receive the Zoom-ID by email.
SYN.7	CE	53120 Organic Synthesis II (Synthesis planning)	Breder	Offered at the indicated times via zoom for the time being! => Please register in LSF for the seminar, so we can send you a link for GRIPS and the zoom meeting.
SYN.8	CE	53123 Organic Synthesis III (Synthesis of Natural products)	Reiser	Offered at the indicated times via zoom for the time being!
CAT.8	C	53262 Tutorial Synthesis: Tue 5 – 7 p.m., H47 Registration is mandatory BEFORE the start of the seminar! Please register in LSF until April 24th, 2020. Preparatory meeting (mandatory!): April 28th, 2020, 14-15, room CH 12.0.17.	Hilgers, Rehbein	Offered at the indicated times via zoom for the time being! => Please register for the seminar in LSF and in GRIPS, so that a deposit for the zoom-meeting can be sent.
CAT.3	CE	53122 Catalysis II (Characterization of Mechanisms in Catalysis)	Rehbein	Offered at the indicated times via zoom for the time being!
CAT.3	CE	53121 Intermolecular Interactions	Gschwind	Offered at the indicated times via zoom for the time being! => please register for the seminar in LSF, so that a deposit for the zoom-meeting can be sent. => please send an email directly to Prof. Gschwind (see email from April 16)
CAT.6	CE	53111 Biomolecules I (Bioinorganic Chemistry) See LSF course catalogue for further information	Wolf	course will take place in digital form, please note of announcements in GRIPS!
CAT.7	CE	54190 Design of Proteins, by appointment	Merkel, Sterner	moved to a later date in the SS, date to be announced
TEC.5	C	53273 Seminar Synthesis	Barham, Reiser	will be offered for the time being at the indicated times via zoom!
TEC.7	C	37056 English for Chemistry II (C1.2, Part 2)	Jennings	I think Dr. Jennings will inform you about the details, if not, please send me an email in time.
ATEC.1	C	53281 Structure determination I	Shenderovich	You have already been informed by Dr. Shenderovich.
ATEC.2	C	53282 Structure determination II	Bauer	Further details will be announced as soon as possible.
ATEC.3	C	53283 Structure determination III	Pfitzner	Further details will be announced as soon as possible.
